RE: TA 2026 Applicant Authorization and Agency Commitments

In response to the 2026 Palm Beach TPA Transportation Alternatives Application for the Pedestrian & Bike Improvements 2026 project, the Village authorizes Adamo DiSisto, Project Engineer, to submit the application on behalf of the Village. The Village confirms the information in the application is accurate. The Village confirms its intent to enter into a cost reimbursement agreement for delivering the project.

If the project is funded by the Transportation Planning Agency, the Village Engineering Department will administer and construct the project, and Village Public Works Department will be committed to funding the ongoing operations and maintenance of the project.

Thank you for your consideration of this grant application.

Sincerely,

Raymond Liggins, P.E.
Village Manager
