DECLARING MARCH 2026 AS FLORIDA BICYCLE MONTH

WHEREAS, the Florida Bicycle Association recognizes March as Florida Bicycle Month and the Palm Beach Metropolitan Planning Organization (MPO) will recognize it locally; and

WHEREAS, the Palm Beach MPO collaborates with the Florida Department of Transportation (FDOT), Palm Beach County, Palm Tran, Tri-Rail, Brightline, its municipalities, and other stakeholders to encourage bicycling as an alternative form of transportation; and

WHEREAS, the Palm Beach MPO has set a target of zero bicycle-related fatalities and serious injuries; and

WHEREAS, bicycling is a popular form of recreation and transportation, which increases access to employment through affordable economic means, reduces traffic congestion, promotes health and wellness, enhances economies, and connects communities; and

WHEREAS, the Palm Beach Metropolitan Planning Organization plans, supports, and recommends projects that improve bicycle access and safety, and promotes community education efforts to enhance safe bicycling practices; and

WHEREAS, electric bicycles are an increasingly popular mode of transportation, Palm Beach County encourages all road users to share the roadway responsibly and encourages organizations to promote safety through education and training; and

WHEREAS, Palm Beach County has an expanding network of designated and enhanced bicycle facilities totaling approximately 300 miles, and several local municipalities have adopted Complete Streets policies, advancing a safe, connected, and accessible transportation system for bicyclists of all ages, abilities, and backgrounds;

NOW, THEREFORE, BE IT PROCLAIMED BY THE GOVERNING BOARD OF THE PALM BEACH METROPOLITAN PLANNING ORGANIZATION, assembled in regular session this 19 day of March 2026, that March 2026, in Palm Beach County, is hereby proclaimed:

Florida Bicycle Month

BE IT FURTHER PROCLAIMED BY THE GOVERNING BOARD OF THE PALM BEACH METROPOLITAN PLANNING ORGANIZATION that this proclamation is duly sealed, ribboned and executed by the Chair and Vice Chair of this Board.

Attest:

**SUBJECT: Nomination of Alternate for the Palm Beach MPO Vision
Zero Advisory Committee (VZAC)**

Dear Ms. Neilson;

Palm Beach County Department of Environmental Resources Management (ERM) is hereby nominating Lee Lietzke for appointment as our alternate representative on the Palm Beach MPO Vision Zero Advisory Committee (VZAC).

Mr. Lietzke has been a prior representative to the former BTPAC Advisory Committee. He has worked for ERM since 1999 when he started as a student intern. Since then he has advanced from Environmental Technician to Senior Environmental Analyst. In his present role, his main responsibility is the management of four natural areas. Over the course of his career Lee has successfully managed multiple environmental restoration and public use facility construction projects.

He is an avid cyclist who enjoys riding both roads and trails. He lives in east Lantana with his wife and dog.

VZAC representatives should include representatives of local governments, active transportation advocacy groups, and other entities as deemed appropriate by the MPO Board to advance those elements of the MPO's Vision Zero Action Plan oriented around pedestrian and bicycle safety.

Mr. Lietzke is available to serve as Alternate whenever needed. Please let us know the date of the meeting at which this nomination will be considered by the governing board. Thank you for your consideration. Please feel free to contact me with any questions at 561-233-2400.

Sincerely,

Deborah Drum, Department Director

MPO RESOLUTION 2026-03

A RESOLUTION APPROVING THE FISCAL YEAR (FY) 2027-2028 UNIFIED PLANNING WORK PROGRAM (UPWP)

WHEREAS, the Palm Beach Metropolitan Planning Organization (MPO) is the designated and duly constituted body responsible for carrying out the federal urban transportation planning process within Palm Beach County; and

WHEREAS, the MPO is required by the U.S. Department of Transportation (USDOT) and Florida Statutes to prepare a Unified Planning Work Program (UPWP) for urban transportation planning as a prerequisite for certification of the transportation planning process and as a condition of receiving federal transportation planning funds administered by the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA); and

WHEREAS, the USDOT requires that in connection with the receipt of federal transportation planning funds, the MPO provide assurances that it will comply with the provisions of the Title VI of the Civil Rights Act of 1964 and related USDOT regulations; and

WHEREAS, the MPO has prepared the proposed FY 2027-2028 UPWP, which identifies the planning activities to be undertaken with federal and state transportation planning funds and associated matching funds; and

WHEREAS, a new two-year MPO Agreement for FHWA planning funds will coincide with the commencement of the new FY 2027-2028 UPWP; and

WHEREAS, the adoption of UPWP may require execution of agreements and amendments to agreements with the FHWA, FTA, and the Florida Department of Transportation (FDOT) related to transportation planning funds.

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The MPO Governing Board hereby:

- a. Approves the FY 2027-2028 UPWP, attached hereto as Exhibit A, which is incorporated herein by reference.
- b. Authorizes the Executive Director to:
 - i. Submit the approved documents to state and federal agencies and provide any additional information necessary for the review and approval process.

- ii. Execute grant agreements and other documents related to the receipt of federal and state transportation planning funds that are consistent with the adopted UPWP.

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by _____ who moved its adoption. The motion was seconded by _____ and upon being put to a vote, the motion passed. The Chair thereupon declared the Resolution duly adopted this 19th day of March, 2026.

Unified Planning Work Program (UPWP) Work Tasks

Fiscal Years 2027 - 2028

Task 1. Engage and Collaborate

- Prepare, collect, and disseminate public information and input, including compiling feedback from online and in-person engagement; developing photo, video, and written content; producing outreach materials; maintaining the MPO website and digital platforms; monitoring media; and issuing required public notices.
- Track public engagement activities, document and respond to public comments, and survey input received through online tools and in-person meetings.
- Conduct direct public engagement activities to inform and actively solicit input, including presentations, surveys, tabling, workshops, and community events.
- Maintain and update the Public Participation Plan (PPP) and support ADA and Title VI compliance monitoring
- Coordinate and collaborate with partner agencies through meetings, committees, and joint activities related to transportation planning initiatives.
- Administer and support MPO Governing Board and advisory committee meetings.
- Plan and conduct workshops, local and regional summits, mobile tours, site visits, and other educational or engagement events.

Task 2. Short Range Planning

- Plan and advance a multimodal transportation system through systemwide, mode-specific, and Vision Zero plans addressing motorized and non-motorized travel, freight, ports, and emerging technologies.
- Plan and administer the Transportation Disadvantaged (TD) program
- Develop corridor studies and transportation plans and provide technical assistance to local governments.
- Collect, analyze, maintain, and publish transportation and GIS data, including demographic, traffic, safety, transit, non-motorized, and freight data.
- Develop, adopt, and maintain the Transportation Improvement Program (TIP), including the annual call for projects, List of Priority Projects (LOPP), Transportation Regional Incentive Program (TRIP) list, and FDOT Work Program review.
- Review and provide input on transportation projects developed by partner agencies, including Efficient Transportation Decision Making (ETDM), Project Development & Environment studies, multimodal scoping, and design plans.

Task 3. Long Range Planning

- Process amendments to the adopted Long Range Transportation Plan (LRTP), including an annual call for projects.
- Develop and maintain transportation data, travel demand model inputs, and scenario planning tools to support the LRTP. Evaluate automated and machine learning tools for data updates and scenario analysis.
- Develop the 2055 LRTP, including financial forecasts; goals, objectives, and performance measures; project coordination; public engagement; and coordination with MPO committees and partner agencies.
- Update and maintain systemwide the performance measures dashboard and Congestion Management Process (CMP), and coordinate with FDOT, transit providers, and partners on required target adoption.
- Lead development of the 2055 Regional Transportation Plan (RTP).

Unified Planning Work Program (UPWP) Work Tasks

Fiscal Years 2027 - 2028

Task 4. Administer the Agency

- Maintain certification of the urban transportation planning process, including UPWP administration, grant reimbursement reporting, Strategic Plan updates, and joint federal and state certifications.
- Perform financial management activities, including grant reimbursements, audits, accounting, payroll, contract management, invoice processing, inventory, and financial reporting.
- Support travel and professional development for MPO staff and Governing Board members.
- Administer personnel, human resources, operating procedures, and the Continuity of Operations Plan (COOP), including hiring, onboarding, and ongoing personnel support.
- Provide legal services to support the administration of the federal planning process, risk management, and human resources.
- Maintain supplies, software, and tools to support agency operations and planning activities.
- Provide information technology services and website maintenance.
- Procure facilities, equipment, supplies, and services necessary for ongoing operations.

Task 5. Regional Coordination

- Provide administrative and technical support for SERPM maintenance, training, documentation, and model usability, including support for regional and local planning efforts.
- Develop SERPM Version 10, covering the Miami Urbanized Area, including Palm Beach, Broward, and Miami-Dade Counties, which accurately reflects the travel demand patterns and markets for regional transit and highway projects, and make the model available to support the 2055 LRTP plan and 2055 RTP updates.
- Provide administrative and technical support to develop the 2055 RTP in coordination with Broward and Miami-Dade MPOs, including goals and objectives, regional networks, financial forecasts, scenario development, and regional priority projects.

Task 6. Agency Expenditures with Local Funds

- Maximize Agency Effectiveness: Leadership engagement, coordination, peer exchanges, board education, and related professional services.
- Improve Public Engagement: Outreach materials, meeting support items, and engagement activities.
- Professional development activities, including memberships, certifications, licensing dues, and team-building.
- Balance to MPO Local Reserves Fund.

Available Funding

The planning activities in the UPWP are predominantly funded through federal grant reimbursements, and a smaller portion is funded through state and local sources. Funding sources include:

Consolidated Planning Grant (CPG) – an agreement that allows the consolidation of the two main federal planning funds, FHWA PL and FTA PL.

FHWA Planning (PL) Funds – federal highway funds apportioned by formula to each MPO to carry out the transportation planning process

FTA Planning (PL) Funds – federal transit funds apportioned by formula to each MPO to carry out the transportation planning process

FHWA Surface Transportation Block Grant (STBG) Urbanized Areas (SU) Funds – federal highway funds apportioned by formula to each large urban area MPO to plan, implement, and construct transportation projects. ACSU is a state advanced construction SU fund that is intended to be reimbursed with SU funds in the future.

Commission for Transportation Disadvantage (CTD) State Funds – state funding to implement transportation disadvantaged planning activities.

Local Funds – dues paid at 10-cents (\$0.10) per capita by members on the MPO Governing Board.

FDOT and Palm Beach MPO participate in the Consolidated Planning Grant (CPG). The CPG enables FDOT, in cooperation with the MPO, the Federal Highway Administration (FHWA), and the Federal Transit Administration (FTA), to annually consolidate Florida's FHWA PL and FTA 5305(d) metropolitan planning fund allocations into a single grant that is administered by the FHWA Florida Division. These funds are annually apportioned to FDOT as the direct recipient and allocated to the MPO by FDOT utilizing formulas approved by the MPO, FDOT, FHWA, and FTA in accordance with 23 CFR 420.109 and 49 U.S.C. Chapter 53. The FDOT is fulfilling the CPG's required 18.07% non-federal share (match) using Transportation Development Credits as permitted by 23 CFR 120(j) and FTA C 8100.1D."

Federal funding requires a local match. 23 U.S.C. §120 permits a State to use certain toll revenue expenditures as a credit toward the non-Federal matching share of all programs authorized by Title 23, (except for Emergency Relief Programs) and for transit programs authorized by Chapter 53 of Title 49, U.S.C. This is, in essence, a "soft-match" provision that allows the Federal share to be increased up to 100% to the extent credits are available. The "soft match" amount being utilized to match the FHWA PL, FHWA SU, and FTA 5305d funding in the UPWP is 18.07% of FHWA program funds for a total of \$1,900,120. Eligible expenses are reimbursed on an actual cost basis; therefore, no indirect cost rate is applied.

Table 1. Available Funding Sources

Funding Source	Fiscal Year 2027	Fiscal Year 2028	Total
CPG FHWA PL Re-Obligation (Contract G2Y14)¹	\$0	\$0	\$0
CPG Total (Contract XXXXX)	\$2,557,605	\$2,557,605	\$5,115,210
FHWA SU (Contract XXXXX)	\$1,685,000	\$1,583,332	\$3,368,332
FHWA ACSU (Contract TBD)	\$65,000	\$166,668	\$231,668
CTD²	\$58,875	\$60,053	\$118,928

Total	\$4,524,187	\$4,528,519	\$9,052,706

¹These are carry forward funds from the prior fiscal year de-obligations. Funding is subject to change based on close out of the FY 2025-2026 UPWP.

²CTD funding amounts are estimates and subject to change.

Planning Priorities and Factors

Local Priorities

The primary objective of the UPWP is to support the federally required metropolitan transportation planning process by coordinating regional transportation planning activities and guiding the prioritization and use of state and federal transportation funds. The UPWP is further designed to produce required work products that serve the following purposes:

- To progress toward adopted performance measure targets through coordinated transportation decision-making that supports desired system performance outcomes;
- To assist federal and FDOT modal agencies in reviewing, monitoring, and evaluating the metropolitan transportation planning process;
- To advance multimodal transportation planning at the regional and systemwide level;
- To improve the effectiveness of transportation decision-making by guiding various jurisdictions in their individual planning efforts to ensure the efficient use of resources; and
- To support a regional approach to transportation planning that facilitates coordination among transportation planning participants and ensures integrated transportation analysis.

Federal Planning Factors

The Palm Beach MPO is guided by the Federal Planning Factors that states and MPOs are required to address when carrying out the metropolitan transportation planning process. The current federal planning factors were established under the Fixing America’s Surface Transportation (FAST) Act.

Federal Planning Factors

As part of the FHWA Highway Safety Programs Module 2: Fundamentals of Transportation Planning, the key federally required planning factors or considerations are the same for State DOT’s and MPO’s, which includes the following. Palm Beach MPO continues to monitor guidelines from FDOT and FHWA regarding the federal planning factors.

1. Support the **economic vitality** of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency;
2. Increase the **safety** of the transportation system for motorized and non-motorized users;
3. Increase the **security** of the transportation system for motorized and non-motorized users;
4. Increase the **accessibility** and **mobility** of people and freight;
5. Protect and enhance the **environment**, promote energy conservation, improve **quality of life**, and promote consistency between transportation improvements and state and local planned growth and economic development patterns;
6. Enhance the **integration** and **connectivity** of the transportation system, across and between modes, for people and freight;
7. Promote efficient system **management** and **operation**;
8. Emphasize the **preservation** of the existing transportation system;
9. Improve the **resiliency** and **reliability** of the transportation system and reduce or mitigate stormwater impacts of surface transportation; and
10. Enhance **travel** and **tourism**.

Transportation Planning Activities

Continuing

Many MPO planning activities continue from previous efforts, as outlined below:

- Continue public engagement through MPO outreach efforts, including social media, events, and responses to public inquiries;
- Assist local governments in evaluating, identifying, and prioritizing funding for multimodal infrastructure projects that improve safety and access for all users;
- Coordinate with Palm Tran and the South Florida Regional Transportation Authority (SFRTA) on transit service planning and updates to their Transit Development Plans (TDPs);
- Monitor federally required performance measures and identify projects and strategies to support achievement of adopted targets;
- Review the Strategic Intermodal System (SIS) Cost Feasible Plan (CFP) for consistency and potential incorporation in the MPO's Long Range Transportation Plan (LRTP) and Transportation Improvement Program (TIP); and
- Review transportation projects through the Electronic Review Comments (ERC), Multimodal Scoping Checklist (MMS), and other applicable review processes.

Comprehensive

The MPO's planning activities are comprehensive in nature, addressing all modes of transportation, including walking, bicycling, transit, freight, and personal vehicles, and considering the needs of users of all ages and abilities.

Cooperative

The MPO works cooperatively with a broad range of partner agencies at the local, regional, state, and federal levels, including:

- **Federal Agencies:** FHWA, FTA, and Federal Railroad Administration (FRA)
- **State Agencies:** Florida Department of Transportation (FDOT), Florida Commission for the Transportation Disadvantaged (CTD), Florida Department of Environmental Protection (FDEP), and Florida Department of Commerce;
- **Metropolitan Planning Organization (MPO) Agencies:** Florida MPO Advisory Council (MPOAC), Southeast Florida Transportation Council (SEFTC), Miami-Dade TPO, Broward MPO, Martin MPO, St. Lucie TPO, and Indian River County MPO;
- **Local Governments:** Palm Beach County (PBC), PBC Municipalities, Water Management & Drainage Districts;
- **Transit Agencies:** Palm Tran and South Florida Regional Transportation Authority (SFRTA)
- **Airports and Seaports:** Port of Palm Beach, PBC Airports, and Boca Raton Airport Authority
- **Regional Planning Councils:** Treasure Coast Regional Planning Council (TCRPC) and South Florida Regional Planning Council (SFRPC)
- **Education Agencies:** School District of Palm Beach County, Florida Atlantic University (FAU), Palm Beach State College (PBSC), Palm Beach Atlantic University (PBAU), Lynn University, and Keiser University.

- **Private Transportation and Utility Companies:** Florida East Coast (FEC) Railway, Brightline, CSX Transportation, Tropical Shipping, transportation network companies and mobility providers, and Florida Power & Light (FPL); and
- **Private Business Organizations:** Economic development councils, business development boards, chambers of commerce, and freight and logistics stakeholders.

Public Participation Process

Public involvement is a fundamental component of the metropolitan transportation planning process. The MPO provides ongoing opportunities for public participation to promote awareness of MPO responsibilities and to support informed transportation decision-making. Outreach activities include participation in public meetings and community events, as well as dissemination of information through the MPO's website, PalmBeachMPO.org, and social media platforms.

Public participation activities are conducted in accordance with the MPO's adopted Public Participation Plan (PPP), which ensures timely public notice, reasonable access to information, opportunities for early and continuous involvement, and consideration of public input in transportation planning decisions. Consistent with the PPP, the Unified Planning Work Program (UPWP) is made available for a minimum 30-day public review and comment period.

The UPWP is developed in cooperation with federal, state, regional, and local transportation partners and reflects input received through the continuing, comprehensive, and coordinated (3-C) transportation planning process. The UPWP is reviewed by the MPO's advisory committees and adopted by the MPO Governing Board.

ORGANIZATION AND MANAGEMENT

The MPO's Governing Board consists of 21 members: five County Commissioners, 15 elected officials representing the County's 13 largest municipalities, and one Port of Palm Beach Commissioner. The Governing Board provides overall policy direction for the metropolitan transportation planning process and serves as a key coordination mechanism with state agencies on transportation planning.

The MPO's Operating Procedures support the efficient conduct of business by the Governing Board and its advisory committees as the MPO collaboratively plans, prioritizes, and funds the regional transportation system. The Governing Board also coordinates with MPOs statewide through the Florida Metropolitan Planning Organization Advisory Council (MPOAC). MPOAC is composed of an elected official and staff director from each MPO in Florida and provides a forum for coordination, discussion of transportation issues, and input on FDOT plans and programs. Coordination with local municipalities occurs through the Governing Board, advisory committees, and MPO-led planning activities.

In carrying out these responsibilities, the Governing Board is supported by three standing advisory committees. FDOT participates as a non-voting advisory member on the Governing Board and its committees.

- **Technical Advisory Committee (TAC)** – Composed of representatives with technical expertise in transportation planning and engineering from county and municipal governments, airports, seaports, public transit agencies, the School District of Palm Beach County, and the Palm Beach County Health Department.
- **Citizens Advisory Committee (CAC)** – Composed of residents representing a broad cross-section of the community, including minority populations, older adults, persons with disabilities, environmental interests, business and development interests, freight and goods movement, private transportation providers, and the general public.
- **Vision Zero Advisory Committee (VZAC)** – Composed of county and municipal planners, law enforcement and fire rescue representatives, school district and health department staff, active transportation advocacy groups, and other partners as appropriate to support implementation of the MPO's Vision Zero Action Plan, with a focus on pedestrian and bicycle safety.

The MPO serves as the Designated Official Planning Agency (DOPA) for the Palm Beach County Transportation Disadvantaged (TD) Program. In this role, the MPO administers the Transportation Disadvantaged Local Coordinating Board (LCB), which serves as an advisory body to the Florida Commission for the Transportation Disadvantaged (CTD), and works with the Palm Beach County Community Transportation Coordinator (CTC) to identify local service needs and support coordinated transportation services for transportation disadvantaged individuals through the Florida Coordinated Transportation System.

The MPO Governing Board is also a member of the Southeast Florida Transportation Council (SEFTC), which facilitates regional coordination of transportation planning activities among the Palm Beach MPO, Broward MPO, and Miami-Dade TPO.

MPO Agreements

The MPO has executed the following agreements to support and implement the metropolitan transportation planning process:

- **Interlocal Agreement Creating Palm Beach MPO:** Establishes the MPO in accordance with federal requirements for a continuing, cooperative, and comprehensive (3-C) transportation planning process. Originally established on November 10, 1977. The current continuing agreement among all voting members of the MPO Governing Board and the Florida Department of Transportation (FDOT) was executed on October 13, 2004, and re-established on October 9, 2015.
- **Intergovernmental Coordination and Review (ICAR):** A continuing Joint Participation Agreement among the MPO, FDOT, TCRPC, SFRTA, Port of Palm Beach, and Palm Beach County to coordinate multimodal transportation planning. Executed on April 21, 2008.
- **FDOT/MPO Agreement:** A biennial agreement providing federal transportation planning funds (FHWA PL, FHWA SU, and FTA planning allocations) to support UPWP activities. The agreement for this UPWP is effective July 1, 2026, through June 30, 2028.
- **Transportation Disadvantaged (TD) Planning Grant Agreement:** An annual agreement with the Florida Commission for the Transportation Disadvantaged (CTD) providing state planning funds to support the MPO's responsibilities as the Designated Official Planning Agency (DOPA), in accordance with Chapter 427, Florida Statutes, and Rule 41-2, Florida Administrative Code. Effective July 1 through June 30 of each state fiscal year.
- **Southeast Florida Transportation Council (SEFTC) Interlocal Agreement:** A continuing agreement supporting regional transportation planning and coordination in Southeast Florida. Executed on January 9, 2006, and amended on July 14, 2011.
- **Southeast Regional Planning Model (SERPM) MOU:** An agreement among the Palm Beach MPO, Broward MPO, Miami-Dade TPO, and FDOT Districts 4 and 6 for coordination of SERPM development, funding, and maintenance. Effective January 1, 2025, through December 31, 2030.
- **Memorandum of Understanding (MOU) for Administrative Disposition of Assets:** A continuing agreement with FDOT providing administrative support for accounts payable, accounts receivable, and payroll functions. Executed on December 20, 2024.

REQUIRED ACTIVITIES

The MPO's required activities are organized into six (6) tasks to carry out the 3-C transportation planning process, guided by the MPO's adopted mission and vision statements. Annual and multi-year activities, deliverables, and estimated completion dates are identified within each task. Each task is budgeted individually with funding amounts identified by source. Additionally, **Appendix D** lists the planning activities to be performed by FDOT District 4, and **Appendix E** lists those to be performed by Palm Tran.

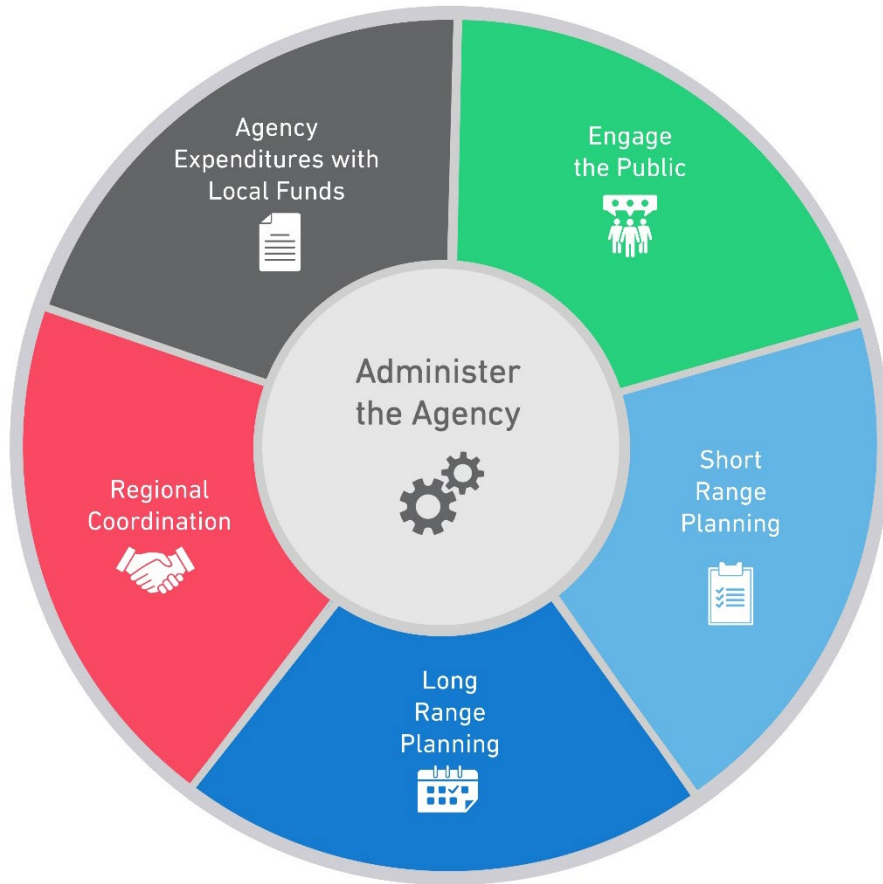

Figure 3. Required Activities

Task 1. Engage and Collaborate

Responsible Agency: Palm Beach MPO

Participating Agencies: FHWA, FTA, FDOT, MPOAC, AMPO, SEFTC, Broward MPO, Miami-Dade TPO, Palm Tran, SFRTA, TCRPC, Palm Beach County, local municipalities, School District, private transportation providers, chambers of commerce, business organizations, and community organizations.

Purpose

This task supports public engagement and coordination with partner agencies to advance the metropolitan transportation planning process. Activities focus on increasing public awareness and input and working collaboratively with partner agencies through committees, meetings, and events to advance policies, programs, and projects consistent with the MPO's mission and vision.

Previous Work

The MPO engaged the public and partner agencies through presentations, educational workshops, and outreach with community groups and business organizations, with an emphasis on safety and multimodal transportation. Ongoing activities included safety fairs, Florida Bicycle Month, Walk and Roll to School Days, and publication of the biweekly *Transportation Tuesday* e-newsletter. The MPO maintained and enhanced its website and social media platforms; produced digital and print outreach materials; monitored progress on the Strategic Plan through an Annual Report; and implemented the Public Participation Plan (PPP), including ADA and Title VI compliance activities.

At the regional level, the MPO coordinated with FDOT, local governments, and South Florida Commuter Services on joint outreach efforts and partnered with the Broward MPO and Miami-Dade TPO to plan the annual Safe Streets/Roads Summit. In 2025, the Palm Beach MPO hosted the Summit. Through the Southeast Florida Transportation Council (SEFTC), the MPO supported coordinated public engagement and partner collaboration related to the 2050 Regional Transportation Plan (RTP) and development of the annual prioritized Transportation Regional Incentive Program (TRIP) project list.

MPO staff also participated in partner agency committees, working groups, meetings, workshops, and site visits to promote awareness of and encourage participation in the metropolitan transportation planning process. These efforts included participation with MPOAC, AMPO, SEFTC, RTTAC, SFRTA, Palm Tran, and other local, regional, statewide, and national partners to support coordination on transportation planning initiatives and identify multimodal transportation needs, safety priorities, and implementable improvements.

Activities to Be Performed

Task 2. Short Range Planning

Responsible Agency: Palm Beach MPO

Participating Agencies: FHWA, FTA, FDOT, MPOAC, AMPO, SEFTC, Broward MPO, Miami-Dade TPO, Palm Tran, SFRTA, TCRPC, Palm Beach County, local municipalities, School District, the Palm Beach County Health Department, the freight industry, neighboring MPOs, and community organizations.

Purpose

This task supports the development and implementation of short-range multimodal transportation plans and programs that advance a safe, efficient, and connected transportation system. Activities focus on data-driven planning, project evaluation, and coordination with partner agencies to ensure transportation investments align with the MPO's Vision, adopted plans, and governing board priorities. This includes planning and evaluation for all transportation modes; coordination of land use and transportation; assessment of emerging technologies such as connected and autonomous vehicles; and prioritization of funding within the five-year Transportation Improvement Program (TIP) consistent with the Long Range Transportation Plan (LRTP).

Previous Work

The MPO supported short-range planning efforts through studies, audits, and evaluations related to Vision Zero, safety, multimodal, and transit-oriented development. Activities included walk and bike audits, participation in FDOT-led Road Safety Audits (RSAs), and evaluations of intersections with rail safety concerns.

In coordination with Palm Tran, Palm Beach County, and local municipalities, the MPO advanced roadway and transit improvements through initiatives such as the 561 Mobility Vision Plan, the Southwest of Downtown Mobility Plan, the extension of Tri-Rail service, transit shelters, and Transit Signal Priority.

MPO staff developed and maintained data visualization and mapping tools, including public-facing dashboards, to support decision-making and improve accessibility to transportation data for partner agencies and the public.

The MPO continued annual coordination with FDOT on development of the List of Priority Projects (LOPP), the Draft Tentative Work Program (DTWP), and adoption of the TIP. MPO staff also participated in state and local project design reviews to ensure consistency with adopted plans, policies, and multimodal planning objectives.

¹CTD funding amounts are subject to change and are shown as estimates.

²These funds satisfy the requirements for the 2.5% PL set aside for Complete Streets planning, [§ 11206(b)]. The total amount of funds used by the MPO for Complete Streets Planning for FY 2027 is \$475,243 of \$2,557,605 PL, and for FY 2028 is \$225,500 of \$2,557,605 PL. 2.5% of the total PL allocation for each fiscal year is \$63,940.

Task 3. Long Range Planning

Responsible Agency: Palm Beach MPO

Participating Agencies: FHWA, FTA, FDOT, SEFTC, Broward MPO, Miami-Dade TPO, Palm Tran, SFRTA, TCRPC, Palm Beach County, local municipalities, the School District of Palm Beach County, the freight industry, neighboring MPOs, and community organizations.

Purpose

This task supports the development, maintenance, and implementation of the Long Range Transportation Plan (LRTP), also known as the Metropolitan Transportation Plan (MTP), which establishes a 25-year framework for multimodal transportation investments in Palm Beach County. Activities focus on long-term planning, performance-based decision-making, data development, and coordination with partner agencies to guide future transportation investments.

The LRTP addresses all modes of transportation, including roadways, transit, freight (roadway, rail, seaport, and airport), and non-motorized networks such as bicycle facilities, sidewalks, and shared-use paths. The LRTP is updated every five years. The 2050 LRTP was adopted on December 12, 2024, and this UPWP initiates early work toward development of the 2055 LRTP, which is due in December 2029.

This task also includes ongoing monitoring of federal performance measures and the Congestion Management Process (CMP), as well as development of the Regional Transportation Plan (RTP) led by the Palm Beach MPO.

Previous Work

The MPO updated the LRTP to a 2050 planning horizon and continues to process amendments as needed. The 2050 LRTP update included public engagement, existing conditions analysis, travel demand model updates, goals and objectives development, needs assessment, and preparation of the Cost Feasible and Illustrative project lists.

Federal performance measures and the CMP were incorporated into interactive dashboards to support data-driven decision-making and provide accessible information to committees, stakeholders, and the public.

Task 4. Administer the Agency

Responsible Agency: Palm Beach MPO

Participating Agencies: FHWA, FTA, and FDOT

Purpose

This task supports administration of the federally required continuing, cooperative, and comprehensive (3-C) transportation planning process. Activities ensure the Palm Beach MPO operates in a transparent, efficient, and fiscally responsible manner and provides a fair and impartial setting for effective regional decision-making.

Previous Work

MPO staff performed required administrative activities to support the 3-C planning process, including support for the MPO Governing Board and advisory committees; preparation and updating of required documents; coordination and support for audits; and submission of monthly and quarterly progress reports and reimbursement requests.

Internal operations were strengthened through updates to Procurement Policies, Financial Policies, the Personnel Handbook, Operating Procedures, and the Continuity of Operations Plan (COOP). A Succession Plan was also developed to support organizational continuity and stability of core functions.

The MPO issued Requests for Proposals and awarded contracts for General Planning Services and Annual Financial Statement Preparation and Auditing Services, and executed contract extensions for legal, janitorial, website, and accounting support services. In FY 2025, the MPO implemented a new integrated accounting system and improved its human resources and payroll processing system.

In coordination with FDOT and local agencies, the MPO completed federally required updates to the Planning Area Boundary, Urban Area Boundary, and Roadway Functional Classification following the decennial census. The MPO also executed a Memorandum of Understanding with FDOT to enable reimbursement through Interlocal Agreements for advanced administrative services funding.

Task 5. Regional Coordination

Responsible Agency: Palm Beach MPO

Participating Agencies: FDOT, SEFTC, Broward MPO, and Miami-Dade TPO.

Purpose

This task supports regional transportation planning coordination and shared funding responsibilities among Southeast Florida partners. Activities include administration of the Southeast Florida Transportation Council (SEFTC), development of the Regional Transportation Plan (RTP), and maintenance and advancement of the Southeast Regional Planning Model (SERPM) to forecast regional travel demand. The Task 5 budget identifies funding commitments by each partner and the agency responsible for administering each activity.

Previous Work

SEFTC collaborated to maintain and update the Southeast Regional Planning Model (SERPM), a scenario-based travel demand model used to support regional and local transportation planning across Southeast Florida. SERPM is updated every five years. During this period, MPO staff worked with regional partners to implement SERPM Version 9.

SEFTC also adopted the 2050 Regional Transportation Plan (RTP), which identifies long-term transportation investment needs, evaluates future development and investment scenarios, and advances a shared regional vision.

Initial coordination began on the development of the 2055 RTP. Beginning in January 2028 (the second half of FY 2028), the Palm Beach MPO will lead SEFTC administration and development of the 2055 RTP.

Memorandums of Understanding (MOUs) were initiated among the Miami-Dade TPO, Broward MPO, Palm Beach MPO, and FDOT Districts Four and Six to support continued SERPM development and initiation of the 2055 RTP. These MOUs address SERPM maintenance and training, development of SERPM Version 10, and preparation of the 2055 RTP.

Task 6. Agency Expenditures with Local Funds

Purpose

This task authorizes the use of local funds to support discretionary activities that strengthen MPO leadership, public engagement, staff development, and long-term financial stability.

Activities to Be Performed

- **Maximize Agency Effectiveness** – Activities that support MPO leadership engagement, coordination, and informed decision-making, including peer exchanges, board education, coordination efforts, and related travel or professional services.
- **Improve Public Engagement** – Outreach and engagement efforts, including promotional materials, meeting support items, and targeted initiatives aligned with the MPO’s mission and vision.
- **Enhance Staff Performance** – Professional development activities, including professional memberships, certifications, licensing dues, and team-building activities.
- **Balance to MPO Reserve (Local Fund)** – Allocation of remaining funds to the MPO’s local reserve account to support long-term financial stability.

MPO Travel Policy

MPO RESOLUTION 2025-14

A RESOLUTION OF THE PALM BEACH METROPOLITAN PLANNING ORGANIZATION (MPO) AMENDING THE PERSONNEL HANDBOOK

WHEREAS, the Palm Beach MPO, a public agency created and operating pursuant to 23 U.S.C. 134, 49 U.S.C. 5303, and Sections 163.01 and 339.175, Florida Statutes, is the designated and duly constituted body responsible for the urban transportation planning process for Palm Beach County; and

WHEREAS, the MPO has adopted personnel rules and regulations, commonly referred to as the Personnel Handbook, to ensure that employees and prospective employees are treated in a manner consistent with applicable employment laws and regulations; and

WHEREAS, the Personnel Handbook establishes employment policies and procedures, including salaries, benefits, paid leave, and travel; and

WHEREAS, since the Personnel Handbook was last updated, there have been changes in federal and state employment laws, as well as changes to the MPO's operational standards, necessitating a revision to the Handbook; and

WHEREAS, the Personnel Handbook amendment, attached as "Exhibit A," is being proposed by MPO General Counsel and staff to clarify language to ensure legal consistency, align reimbursements with federal and state policies, and limit paid parental leave eligibility to employees with at least one year of service; and

WHEREAS, the Updated Personnel Handbook supersedes all existing MPO personnel policies;

NOW THEREFORE, BE IT RESOLVED BY THE PALM BEACH MPO THAT:

SECTION 1. The foregoing recitals are hereby adopted and declared to be true and correct and are incorporated herein.

SECTION 2. The MPO Governing Board hereby approves the revised Personnel Handbook attached as "Exhibit A." The amendment sets forth new text, which is underlined, and deletes existing text with ~~stricken through~~ language.

SECTION 3. This Resolution shall take effect upon adoption.

The foregoing Resolution was offered by Gregg Weiss who moved its adoption. The motion was seconded by Maria Marino, and upon being put to a vote, the motion passed. The Chair thereupon declared the Resolution duly adopted this 30th day of October 2025.

7. Upon termination of employment with the MPO, an employee will not be paid for any unused paid parental leave.

2.5 Travel

- A. **Applicability.** The travel policy applies to all staff traveling on official business paid for by the MPO.
- B. **Authorization.** The Executive Director must authorize travel for all staff. Travel must be authorized in advance of the travel occasion to be eligible for payment. Travel by the Executive Director shall be reviewed and approved by the Finance and Operations Manager to ensure accuracy and budget compliance. The number of individuals traveling to any one event shall be monitored and limited to maintain the local operational capacity of the MPO and to maximize the beneficial purposes of the travel occasion for the MPO.
- C. **Travel Costs.** All authorized parties traveling on official business for the MPO are expected to seek advanced registration discount rates, to travel by the most economical and efficient means to/from the travel occasion, and to select reasonably priced lodging accommodations for the travel occasion.
 1. **Registration.** The MPO shall pay actual registration costs for authorized travel either by direct payment to the vendor or as a reimbursement for traveler-paid registration fees.
 2. **Transportation.** The traveler must compare the cost and time associated with means of travel by personal vehicle, travel by rental car, travel by public or private surface transit, and travel by commercial or general airplane. The MPO will pay or reimburse the traveler for the most economical (cost) and efficient (time) travel option to/from the event, even if the traveler elects to use another option. The Traveler is responsible for providing the full cost comparisons at the time of the travel request. Travel by personal vehicle shall be reimbursed utilizing the federal mileage rate, as amended from time to time.
 3. **Lodging Expenses.** The traveler is expected to plan in advance and with sufficient notice to stay on the premises for a travel-related event. The MPO will pay or reimburse up to the amount for the standard room accommodation or lowest cost option available in the negotiated event room block. In such case where the negotiated room block rate is not available or does not exist, the traveler must compare the available lodging within a 3-mile radius and select the most economical and efficient alternative. Exceptions to these requirements may be made by the Executive Director on a situational basis based on safety, meeting events, and/or logistics.
 4. **Meal Allowances.** The MPO shall pay for meals when travel occurs during meal times: 1) for all overnight travel events, and 2) for same-day travel to a destination at least 100 miles away from the MPO office. The payment shall be in the following amounts:
 - a. Breakfast: \$10.00

b. Lunch: \$15.00

c. Dinner: \$30.00

5. Incidental Travel Expenses. The MPO shall reimburse for incidental travel expenses including tolls, local transportation costs (cab fares, TNC fares, transit fares, bike share, *etc.*), parking, *etc.* pursuant to federal and state regulations.
6. Traveler Conduct. MPO staff and Board members are expected to attend applicable training sessions offered during normal business hours and to adhere to all travel and rules of conduct policies.
7. Travel Advances. The MPO will not authorize travel advances. The MPO will either prepay by direct payment to the vendor or pay a reimbursement to the traveler for travel-related costs.

Comments and Responses

Comments and Responses

The UPWP was made available for public review on the Palm Beach MPO website from January 28 to March 19. The document was presented as an informational item to the Palm Beach MPO committees on February 4, 2026 and to the Governing Board on February 19, 2026. The final document was presented to the committees on March 4 and 5 and is scheduled for adoption by the MPO Governing Board at their public meeting on March 19, 2026.

The UPWP document was also made available to the Federal Highway Administration (FHWA), Federal Transit Administration (FTA), and the Florida Department of Transportation (FDOT) for review and comment.

No public comments have been received to date. Comments and MPO responses will be provided in the Appendices once submitted.

Project Scheduling Report – March 2026

Phases occurring within the next 90 days

Palm Beach MPO & FDOT District 4

The purpose of this report is to ensure stakeholders are aware of upcoming activities for each project to allow for increased input. The MPO has consolidated the FDOT report to focus on MPO priorities and scheduling activities that are occurring within the next 90 days. The full list of scheduling activities is described below.

Scheduled Activity	Description
Multimodal Scoping Checklist (MMSC)	FDOT's Office of Modal Development (OMD) notifies impacted agencies to enter comments about the project scope. The local agency can confirm or discuss context class, minor comments about multimodal features.
Resolution from Agency (for Off-System Projects Only)	If an off-system project is administered by FDOT, the local agency's governing board must pass a resolution endorsing FDOT's delivery of the project.
Review of Scope with Agency	Meet with local agency to review and confirm scope prior to FDOT advertising for consultant acquisition.
Execution Date (Design)	FDOT Design starts.
Project Kickoff Meeting	FDOT Design Team coordinates with local agency. Contact the FDOT project manager for date/time/location of the meeting.
Initial Field Review	Field Review meeting. Typically occurs at the project site.
Initial Engineering	30% plans to reviewers. Stakeholders provide review and feedback on the approved Typical Section.
Public Information Workshop	Tentative date to conduct a public information workshop. Date may differ than final workshop date.
Constructability Plans	60% plans to reviewers. At this time most of the Design is complete, no scope discussion, review focuses on items to be constructed, their construction impacts, and materials to be used.
Plans Specification and Estimates (PSE) Meeting	FDOT PM arranges field review with all reviewers to evaluate the final engineering plans with respect to actual field conditions.
Biddability Plans to Reviewers	90% plans. At this time, Design is complete. Verifying quantities and pay items.
Production	100% plans. Plans are complete.
Local Agency Program (LAP) Commitment	Agency and FDOT commits the project funds and budget to the Legislature and the Governor's office.
Letting	Bids are opened and the apparent low bid contract is determined. Construction typically begins 4 to 6 months after letting.
Construction Notice to Proceed (NTP)	Construction starts. Construction dates for FDOT administered projects can be found through the FDOT Operations Center.

For more information on a project, please contact the FDOT District 4 office at 954.486.1400 and ask to be transferred to the FDOT Project Manager for the specific project. For the FDOT copy of the report with the full project schedule, contact Martha Morales at Martha.Morales@dot.state.fl.us or 954.777.4208.

Please note, the dates shown in this report are a snapshot and dates can change frequently. Updated reports are requested monthly from FDOT.
